Taoufik Ammi

Full Stack Web Developer, System Admin and an aspiring CyberSecurity enthusiast. Currently transferring my IT experience and skills towards specializing in Software Development and Cybersecurity

Raleigh

Summary

Full Stack Web Developer and an aspiring CyberSecurity professional with a Computer Science BA degree, and 10+ years experience working in IT as a senior computer engineer, system admin by day, and web designer by night which helped me accumulate couple of years experience working as a freelancer web designer.

Currently transferring my extensive IT experience and knowledge towards specializing in Web Development and Cybersecurity thru pursuing Security+ Cert and completing the Cybersecurity Bootcamp at Springboard."
